

Kilimanjaro - in aid of Mountain Rescue

Duration - 12 days / 11 nights
Monday 4th - Friday 15th February 2013

At 5895m Uhuru Peak, the summit of Kilimanjaro, is the highest point in Africa as well as being the highest freestanding mountain in the world.

Why not join us for the challenge of a lifetime AND raise money for your local Mountain Rescue Team.

Kilimanjaro is a massive personal challenge for all trekkers due to the extreme altitude, but should be achievable by most reasonably fit, well-prepared trekkers. Walkers will pass through a huge variety of landscapes including lush rain forests, temperate climates, alpine moorlands, barren high alpine deserts before reaching the snow-capped summit.

Your attempt to reach the summit of this classic mountain will be a challenge, but you will be rewarded with magnificent views from the 'roof of Africa' which are unmatched on any other mountain.....and to top off your amazing journey you will be raising funds for Mountain Rescue!!
